History

The Pennsylvania Parking Association began with its first meeting on December 11, 1985. The first conference was held in 1989 in Harrisburg. Since then, the conference has been held annually at cities across the state including State College, Lancaster, Harrisburg, Scranton, Pittsburgh and Philadelphia.

Today we have over 100 active members. The Association is considered one of the strongest and most active state associations, hosting an annual conference, golf outing, a meeting at each IPI conference, and annual Parking Innovations Awards.

Networking

This is a great association for members to get to know one another, and seek information concerning their projects or services. Many have developed long-term personal and business relationships.

Parking Innovation Awards

In keeping with our mission to learn new innovative ways of enhancing the parking industry, we recognize outstanding parking related projects. Awards are given in the following categories:

- new design
- restoration
- addition / improvement
- parking equipment
- parking operation

Mission

To create an environment for parking professionals to share knowledge, enhance personal development, and network.

Vision

To positively impact the communities we serve.

You Can Grow With Us

Annual Conference

Every year around mid September, about 100 members attend this three day conference. The conference includes seminars, discussions, golf outing, banquet dinner, exhibition by vendors, and presentations of awards for the Parking Design and Innovation competition. It's a wonderful time to socialize, learn, and share.

Golf Outing

Since 1993, the members have been enjoying community and fellowship through the annual golf outing. Traditionally, the outing takes place on the same date as the Annual Conference begins.

Spring Training

The PPA hosts an annual Spring Training event in the central PA area. Attendees network over breakfast and coffee and enjoy two educational sessions. The day would not be complete without a little friendly competition on the golf course!

Vendor Exhibition

During our annual conference, vendors and consultants have an opportunity to display their products and services.

Other Benefits

- Educational Forum
- Establish Business Opportunities
- Membership Directory
- Networking
- Spring Fling Educational Event
